

## Hydrating Lift & Firm Peptide Mask Protocol

# 1

FACIAL CLEANSING

### Euphrasia Cleanser Mild Foaming Gel

Code: 361S

#### **i** How to use

A gentle facial cleanser for daily use. Suitable for all skin types and for the face and body.

#### **⊕** What is it for

The gel effectively removes makeup, dirt, and oily shine leaving the skin feeling soft, clean, and fresh. Enriched with **Seaweeds** for skin softening and **maintaining its elasticity**. Euphrasia and **Chamomile Flower** Extracts contribute to **soothing irritated, reddened skin**.

## HYDRATE/BALANCE Moisture Splash

Code: 451S

### **(i)** How to use

Excellent as an oily skin moisturizer, an instant cooling skin freshener, or as a primer when used under any cream for normal to dry skin.

### **(🎯)** What is it for

A natural, oil-free, **Dead Sea fluid** increases the moisture binding capacity of the skin. The fluid mimics the moisturizing components naturally present in the skin, to provide optimal skin tolerance and leave a smooth and comfortable sensation.

# 3

## PRE-PEEL PREP HA Hydration Gel & SETFM tablets

Code: 375S

### **(i)** How to use

Prepare skin for the gentle peel by using the HA Hydration Gel with the Setfm Tablets. Pour tepid water into a small bowl. Place one compressed cotton tablet in the bowl and allow it to absorb the water. Apply a generous layer of the HA Hydration Gel over the face using a flat brush or spatula. Take the moist cotton mask and spread it over the face. Add a second layer of the gel over the tablet and let sit for 10 minutes. Gently remove and wipe off excess.

### **(🎯)** What is it for

An intensive, quenching gel formulated with natural ingredients. Prepares the skin for various treatments such as deep pore cleansing or exfoliation. This step softens the cells of the Stratum Corneum making exfoliation easier. Contains natural hydro-colloids from seeds and **seaweed** with **Sodium Hyaluronate**.

AMPOULE OR SERUM

## HA Intense / First of All Quenching Serum

Code: 393P or 380S

### **i** How to use

Jacquet the ampoule into the skin.  
Massage with several motions  
allowing it to be absorbed by the skin.  
The ampoule stays on the skin under  
the Carrotinol Peeling.

**OR**

### **⊕** What is it for

**Moisture Restoring Relief** – a concentrated Hyaluronic Acid replenishing serum. The biomimetic composition includes essential moisturizing components that are naturally present in the skin but depleted with age: Hyaluronic Acid, Lactic Acid, Sodium PCA.

## GENTLE PEELING

### Carrotinol Biomimetic Enzymatic Peeling

Code: 379S

#### **i** How to use

Carrotinol is activated by a 5-10 minute massage (according to skin requirement and sensitivity). At the end of the massage, rinse off with water and pat dry with a soft towel.

#### **⊕** What is it for

3 significant treatment advantages:

1. A mildly achieved removal of dead skin cells that have accumulated on the skin's surface.
2. Restructuring the skin's lipid protective layer for improving its barrier functioning and combating moisture loss.
3. Enhancing the absorption of active ingredients during the treatment according to the varying needs of individual skin.

## MASK

### Lift & Firm Caviar Mask Set

Code: 120P

#### **i** How to use

Fill the 5ml measuring scoop (3gr. by weight) with Activating Powder and place in a small mixing bowl. Break the head of the Fluid Serum ampoule and add the entire contents to the powder in the mixing bowl, by pressing on the soft black actuator at the bottom of the ampoule. Thoroughly mix. Apply the mask in a thin even layer to all facial areas (avoiding contact with the eyes) and let it dry. Once completely dry, gently rinse the mask off with plenty of water and pat dry.

#### **⊕** What is it for

The serum is composed of **Hyaluronic Acid, Sodium PCA, Carob seed,** and **Marine Seaweed. Caviar Extract** is further enhanced by a blend of essential amino acids. The wrinkle-smoothing peptide **Argireline** (Acetyl Hexapeptide-8) provides an instant lifting effect. Coneflower and Cucumber contribute to the skin's radiant appearance when the mask is washed off.

SERUM FOR HYDRATION

## First of All Quenching Serum

Code: 380S

### **i** How to use

Apply an even layer of this biomimetic serum to face, neck and decollete.

### **+** What is it for

Its “**skin familiar**” composition gives an immediate sensation of comfort to all skin types. Light formulation containing Hyaluronic Acid, Amino Acids, Marine Collagen, and Polysaccharides from plants, seaweeds, and dates.

# 8

MOISTURIZER

## Morning Dew 24 Daily Moisturizer

Code: 081S

### **i** How to use

Apply this rich hydrating cream that quenches the skin upon application to face, neck and decollete. Follow with appropriate eye and lip care.

### **+** What is it for

The formula melts into the skin providing a wealth of polysaccharide that bind moisture effectively, such as hyaluronic acid to enhance skin elasticity. Lipids and natural oils to support barrier function and wrinkle relaxing peptides (Matrixyl 3000) to improve texture and firmness.
